

Music For World Peace Records

Introduction to our monthly newsletter

I want to start this introduction to our newsletter by thanking you for your past donations for downloading our artists' music and for donating to the label. You subscribed to our email list either manually or by downloading and/or donating.

Some of you may have subscribed as early as 2020. At that time we didn't have any content to send you. We do now, and will start sending you a no-more-than-3-page newsletter once a month, beginning in January 2024. It will include insider information, upcoming releases, label associates, label growth, news about our artists and more.

One week after mailing you will find our general newsletter on our website under the tab "newsletters", and sub tab "Supporters". All back issues will remain there for your easy reference.

If you ever wish to be removed from our mailing list just hit reply to this message or any newsletter you receive and change the subject line to "Unsubscribe", and we will promptly remove you from our mailing list.
